Interest rate payable may vary from time to time in response to market conditions. The Diocesan Investment Fund (DIF) is not subject to the provisions of the Corporations Act 2001 nor has it been examined or approved by the Australian Securities and Investments Commission. Deposits with the DIF are guaranteed by CDPF Limited, a company established by the Australian Catholic Bishops Conference for this purpose. We welcome your investment with the DIF rather than with a profit oriented commercial organisation as a conscious commitment by you to support the Charitable, Religious and Educational works of the Catholic Church. Neither the DIF nor the Trustees of the Roman Catholic Church for the Diocese of Lismore are prudentially supervised by the Australian Prudential Regulation Authority; contributions to the DIF do not obtain the benefit of the depositor protection provisions of the Banking Act 1959; the DIF is designed for investors who wish to promote the charitable purposes of the DIF.
